Winter Wonderland

We love the idea of a sumptuous winter wedding - especially the ideas that abound for a glamorous winter look. Lady Marmalaide is focusing on some glamorous winter styles this season, particularly dresses with capes, boleros and even faux fur collars and muffs. Think of all the luscious fabrics you can indulge in, like velvet, heavy silk and taffeta - an elegant winter bride can look absolutely unforgettable. For more ideas and inspiration, contact Lady Marmalaide on (011) 467 3094 www.ladymarmalaide.com
